Service Bulletin

ELECTRIC WALL OVENS **RA02-11**

FEBRUARY 2011

RAISED AREAS OR BUBBLING OF THE OVERLAY SURFACE

This service bulletin replaces RA01-10.

Issue

A limited number of 27" and 30" wall ovens have experienced raised areas or bubbling of the overlay surface (delamination between the appliqué and the ink).

Repair/Resolution

Service kits are available to correct this issue. The kits contain a new control panel assembly with non-raised buttons. Installation instructions are included in each kit.
