SERVICE BULLETIN SB-RF-0007

Date: October 14, 2005

Product: Haier products

Applicable models: Haier models

Purpose of Bulletin: Proper cross-reference list (factory number to Haier model number).

Symptoms: Confusion in reading proper Haier model number.

Possible Cause: Factory number confused with Haier model number.

Solution: Factory model number sometimes is taken as a Haier model number. In order to eliminate this confusion in the field, attached cross-reference list will make use of the correct Haier model number with respect to the Haier unit.

Haier
